

Ofsted inspections and ratings

We will shortly have our initial Ofsted inspection as a new setting. This will allow us to care for children at our setting, however, at this point it does not give us an Ofsted rating. Within the first 9 months after opening we will have our first full Ofsted inspection from which we will receive our rating. We will, of course, be working towards being outstanding!

Please visit the Ofsted website for more information:
