

Funding for 2 Year Old Early Years Education:

Helping you to support your child's development.

This is a scheme that allows eligible children to receive free early years care and education from the term after their second birthday. This is part of a national offer from the Department for Education (DfE) and has been developed to improve outcomes for identified two year olds who would benefit from accessing high quality early years and childcare provision. It will also help to tackle challenging circumstances, through family support.

If you think that you may be eligible, or would like more information about the scheme, please contact your local authority.
